## The Tobacco Fair

### Yesterday's the Most Successful Ever Held Here

It wasn't a very bright or a pretty day, but the weather doesn't count when John Duley and Hal Curran say they are going to have a Tobacco Fair.

The Fair came off on Washington's Birthday, as scheduled, and it was a success, too.

The midwinter event which draws more strangers within the gates of the city in one day than are seen here in almost the entire year, —Maysville's Annual Tobacco Fair—came off yesterday, more largely attended than any preceding Fair.

Though damp and gloomy, the weather did not keep the men away. People began coming in at an early hour from all points of surrounding counties, while the morning C. and O. and L. and N. trains, especially the latter, brought big delegations. The livery stables were taxed to their full capacity, and withal there seemed to be something doing in the old town.

The Maysville Board of Trade, with President John Duley and Secretary Harry C. Curran the prime movers, under whose auspices these Tobacco Fairs are given, has met with unqualified success in the undertakings, the management profiting each year with the experience of the preceding event, until the Fair, as evidenced yesterday, has become the most important in the city's calendar.

The products shown at the Courthouse—corn, wheat and tobacco—were plentiful and of a most superior quality. It was no easy matter for the judges to award the premiums, but for general excellence of their samples the following were the winners:—

#### Cigarette—42 samples.

First premium, \$50; Galbraith Bros., Maysville.  
Second premium, \$25; Teagar Bros., South Ripley.  
Third premium, \$10; William Brooks, Mason county.  
Fourth premium, \$5; Patsy Dwire, Minerva.  
Judges—B. G. Spaulding, Cincinnati, and E. S. Reese, Louisville.

#### Lugs—45 samples.

First premium, \$20; Clay & Edwards, Clark county.  
Second premium, \$10; William Kubel, Mason county.  
Third premium, \$5; Jesse Thomas, Dover.  
Fourth premium, \$2.50; King & Colvin, Bracken county.

#### Judges—Frank Albers and William Dohrman, Cincinnati, and W. J. Reed, Carlisle.

#### Bright Leaf—74 samples.

First premium, \$40; J. A. Lewis, Mason county.  
Second premium, \$15; William Brooks, Mason county.  
Third premium, \$10; Mike Brannon, Mason county.  
Fourth premium, \$5; Joe Easyback, Mason county.

#### Judges—Samuel True, Louisville; J. A. Downard and George Casey, Cincinnati.

#### Red Leaf—53 Samples.

First premium, \$25; Will Grange, Bracken county.  
Second premium, \$15; Frank List, Bracken county.  
Third premium, \$10; P. H. Kimbrough, Bourbon county.  
Fourth premium, \$2.50; V. L. Jordan, Bracken county.

#### Judges—A. J. Myall, Cincinnati; Paul Lerch, Covington, and J. D. Booth, Paris.

#### Potatoes—7 pecks.

First premium, \$2; John C. Schwartz, Mason county.  
Second premium, \$1; C. E. Galbraith & Bro., Mason county.  
Third premium, \$50; Ed. Wagoner, Mason county.

#### Wheat.

First premium, \$2; Thomas Kubel, Mason county.  
Second premium, \$1; J. C. Stevenson, Mason county.  
Third premium, \$50; Thomas Kubel, Mason county.

#### Yellow Corn.

First premium, \$3; J. B. Wilson, Mason county.  
Second premium, \$2; A. Owens, Robertson county.  
Third premium, \$50; B. Ringo, Mason county.

#### White Corn.

First premium, \$3; N. S. Wood, Mason county.  
Second premium, \$2; J. A. Stuart, Mason county.  
Third premium, \$1; Ben Brooks, Mason county.

#### Judges for Corn, Wheat and Potatoes—Edward Ballock, Jacob Roser and Charles Weber.

It was arranged that the exercises at the Opera-house in the afternoon should be attended by men only—those most interested in tobacco growing—but in order that the good women would not be slighted a concert was given for their entertainment in the morning. The Vanceburg, Augusta and John Duley's Real Estate Bands contested for a prize—a bouquet—which was awarded to the Augusta boys. These bands contributed much to the success of the day, and their morning concert gathered a big crowd at the Opera-house.

The LEDGER was kindly remembered during the day by the organizations by pleasing serenades.

#### AFTERNOON.

Long before the hour arrived for the opening exercises, the Opera-house was packed from gallery to dress circle with a representative body of well-to-do and thrifty farmers from diversified portions of the state and country at large—Cincinnati and Louisville sending the largest delegations.

As a prelude to the good things to follow the Augusta and Vanceburg Bands discoursed delightful music to the waiting and impatient multitude.

President John Duley of the Maysville Board of Trade presided and in a few well chosen words opened the exercises by introducing Rev. W. B. Illines of Lexington, who, in touching and impressive language invoked God's blessing upon the men assembled.

After some more music by the band, Mr. Harry C. Curran, Secretary of the Board of Trade, stepped forward and in well rounded periods extended a welcome to the strangers within the gates of our city.

Mr. Curran was at his best and the manner in which he acquitted himself was exceedingly pleasing to his friends, and that includes all Maysville folks.

When it comes to an after dinner speaker Mr. Matthew J. Hennessey of Augusta is certainly entitled to a seat alongside Chauncey Depew and others of like class.

His speech was not classical in the least, but it was of the kind that puts a man in a good humor and he feels like lifting the roof off with his voice. Matthew is all right.

Judge Mat Walton of Lexington being absent, his place was filled by Rev. B. A. Jenkins of the same city.

"Now, if you think the Parson handed out dry chaff you are decidedly out of your reckoning. As an entertainer he certainly stands at the head of the class. There was not a dry sentence or utterance in his entire address, and the manner in which his words were received plainly indicated that the house was with him and heartily enjoyed all he said.

"Flowery Words" as sung by President Duley, accompanied by the Augusta Band, was not the least pleasing feature of the afternoon.

After the presentation of a beautiful bouquet—as large as a peck measure—by Mr. Duley to Mr. Dan Peed of Paris, the tobacco sale took place.

Messrs. W. G. Spaulding and Joe Cassidy of Cincinnati and Mr. Reese of Louisville were chosen as the auctioneers. Now here's where the fun and the money comes in, owing to the great rivalry between the Cincinnati and Louisville warehouse men.

The 150 pounds of cigarette samples sold to John Downard of Cincinnati for \$80 per hundred; the 200 pounds of bright leaf went to Louisville at \$43 per hundred; the Queen City secured the 175 pounds of red leaf at \$33 per hundred; the 150 pounds of lugs were bought by the Cincinnati Tobacco Warehouse, paying the fancy price of \$90 per hundred.

Thus ended the sixth and the most successful of all the Tobacco Fairs held in this city, and the major part of the credit for this success must be given to President Duley and his able assistant, Mr. Harry C. Curran.

#### DRIBBLETS.

Bracken county was well represented. She also carried away her portion of the premiums. It was on the order of a Roland for an Oliver when Mr. Duley and Mr. Hennessey met on the stage.

The L. and N. brought in about 500 visitors to the Tobacco Fair yesterday.

Colonel T. J. Maloney, a well known Eastern financier en route to New York from a trip through Canada and the United States in the interests of the Continental Tobacco Company, was the distinguished visitor of our Tobacco Fair yesterday. Colonel Maloney spoke very hopefully of the future outlook of Maysville's tobacco industry, considers this site wisely chosen for a factory, concedes every possibility of additions to the plant, and congratulated our community in possessing such a broad spirited citizen as Mr. John Duley, the able President of our Board of Trade, and the cardinal force in Maysville's Tobacco Fairs.

Gerald J. Connolly, Editor Western Tobacco Journal of Cincinnati, H. Daley of The Flemingsburg Times-Democrat, Colonel Sam Stairs of The Dover News, A. F. Curran of The Dover Messenger, Mr. Levi of The Cincinnati Commercial-Tribune, Oldham of THE LEDGER and Altmeyer of The Bulletin occupied seats in the Press stand.

Quite a number of ladies occupied boxes and graced the meeting with their presence as well as enjoying the proceedings.

The crowd in town reminded one of a circus day.

There were more buggies in the city yesterday than has been here during the past four months.

It was a big crowd and everybody was in a good humor.

Now for 1906.

Ray's Cough Syrup is guaranteed to cure.

The general excellence of the company, the gorgeousness of the costuming and the beauty and immense amount of scenery have made "The Fortune Teller" one of the biggest, best and brightest attractions on the road. Take our word for it, it will prove a genuine musical treat and the best comic opera that has visited Maysville in years. Bear the date, Wednesday, March 1st, in mind and be sure and tell your friends that they don't want to miss seeing "The Fortune Teller" with a big company of sixty.

Never before have we sold as many suits and overcoats during the month of February as we have in this February. It is only due to this: "THE PUBLIC HAS FAITH IN WHAT WE TELL IT." We made up our mind to close out our winter goods at prices that we knew that intelligent people would take advantage of. Consequently hundreds of our friends bought suits and overcoats at prices that we cannot replace them for. Many choice suits and overcoats are still on our counters. We will continue the sale as long as any are left. "DON'T YOU GET LEFT."

## Our Great Carpet and Rug Sale!

Starts Saturday, February 25th, RED LETTER DAY AND DOUBLE STAMP DAY. A couple of months ago Alex. Smith Sons, the largest carpet makers on earth, astonished the carpet world by announcing that they would sell their entire output at PUBLIC AUCTION. Six million dollars worth of Rugs and Carpets, made for the spring trade, 1905, to be sold under the hammer, without reservation, was a fact too big for the mercantile public to grasp. The New York Journal, commenting on same, said: "It was the most stupendous mercantile event the world has ever experienced." Our Mr. A. L. Merz was the only merchant in this section who attended this sale, and for six whole days he sat side by side with the largest wholesalers in America and bought Carpets and Rugs at enormous savings.

## Any One Interested in Carpets or Rugs

THIS SPRING cannot afford to miss this sale. Prices today are absolutely lower than the wholesale prices. Remember, this sale starts on Red Letter Day and Double Stamp Day; so it's a good day to come.

At Des Moines, Iowa, the law class of Drake University is engaged in a mock trial of ex-Governor W. S. TAYLOR of this state, whom the Goebelites charge with killing their Chief. It is hoped they will not pattern after the mock trials that have been doled out to CALB POWERS and JIM HOWARD at Frankfort and Georgetown.

Even some of the Doctors have organized to prevent outsiders from coming to Kentucky. Two years ago Dr. J. D. LINDEN located in Newport. He had a diploma from the University of Dublin, Ireland. The local sawbones demanded a "certificate" from the Kentucky Medical Board. This for some reason was delayed until the new medical law was passed. The old law read "that a diploma was necessary from a regular medical college, legally chartered, in this or some other state or country."

The new law omits the word "country," making it necessary to secure a diploma from a state in the Union. This would compel him to take another three years' course before a certificate would be awarded in Kentucky. Having nothing to show that entitled him to practice, under this law, he was indicted by the Grand Jury last Saturday and Tuesday he left the state, moving with his family to Walnut Hills. He has a certificate permitting him to practice in Ohio. Judge WRIGHT, in commenting on the Kentucky law, said: "It seems rather strange that a diploma from such a College as the Dublin University or the University of Berlin, which leads the world in medicine, would not be recognized in Kentucky." And it really does; but Kentucky, you know, is pledged to the great American doctrine of Protection to Home Industry.

## GIVEN UP TO DIE.

But Our Great Cod Liver Oil Preparation, Vinol, Cured Her of Consumption.

Mrs. J. G. Brown of Anderson, Ind., writes: "Our daughter Mary was on the verge of the grave with consumption. Our family physician had given her up—said she could not possibly recover. She was so weak she could take only half a teaspoonful of nourishment at a time. We read an advertisement of Vinol, and decided to try it as a last resort. She has now taken eight bottles, and her health has been restored in a marvelous manner, and she is as well as ever she was. Words are inadequate

MISS M. BROWN.

to express our gratitude to you and your valuable remedy, and we hope that other dear ones may be saved as ours was.

The reason that Vinol accomplishes such wonderful results in throat, bronchial and lung troubles is because it contains in a concentrated form all the vital principles of cod liver oil, but without a drop of oil to nauseate and upset the stomach and retard its medicinal value; the weakest stomach can retain it and it is delicious to the taste.

Vinol is the most valuable preparation of cod liver oil ever discovered, and we ask every person in Maysville who has a hard cold, backing cough, throat or bronchial troubles to try Vinol on our guarantee to return your money if you are not satisfied with the results.

JOHN C. PEDER, Druggist.

The similarity of names led THE LEDGER into error in copying from a Cincinnati paper the death notice of Mrs. Jennie S. Anderson. It was not the former resident of this city of the same name.

## "Tired in the Morning"

This condition is unnatural. A healthy person gets up in the morning well rested, feeling fine and ready for the day's work.

If you get up in the morning tired, it simply means that your nerves have not rested and their restlessness has not allowed you to rest in the healthy, normal way.

"Tired in the morning," "Run down," "All worn out"—these signs are the warnings—they mean that your nerves need attention.

You must feed some new power to your nerves.

That is just what Paine's Celery Compound does. It feeds new power to the nerves and builds them back to healthy strength.

It makes new Nerve Force.

It makes new vitality and makes life worth living.

That is just why for the past 18 years Paine's Celery Compound has been the most universally used tonic in the world.

**A. H. MERRITT'S EXPERIENCE  
WILL PROVE VITALLY INTERESTING TO THOUSANDS.**

"Two years ago I had a nervous disorder that completely prostrated me. I couldn't sleep, and would lay and toss about all night, arising in the morning more tired than ever, head heavy, eyes dull and every bone and muscle aching. I tried to get along without calling in a doctor, but was finally driven to it. He treated me for some time, but with no perceptible improvement in my health. Some one recommended your Paine's Celery Compound. The change it effected in my system was noticeable almost instantly. I gradually took on flesh. The 'all-gone' feeling left me. In less than six weeks I was fully recovered from what looked to me like an overlasting sickness. I feel actually grateful to you, as my health to-day is a testimonial of what your medicine can do. Yours very truly,"—A. H. Merritt, 32 Music Hall Building, Boston, Mass., Feb. 12, 1904. Bandmaster First Regiment Band, Heavy Artillery, M. V. M.

Try Paine's Celery Compound to-day.

Its effect is almost instantaneous—the nourishment and vigor given to the nerve system by Paine's Celery Compound is felt at once.

The patient feels this at once and gains confidence by it.

The stronger nerve forces have begun at once to make each organ of the body do the work that nature expects of it.

Two days' treatment with Paine's Celery Compound will prove its marvelous power.

For over 18 years Paine's Celery Compound has been the most universally used nerve vitalizer and tonic in the world.

Remember this—Paine's Celery Compound is the prescription of one of the most famous physicians this world has ever known, Prof. E. E. Phelps, of Dartmouth University.

All reputable druggists recommend and sell Paine's Celery Compound.

**"There Isn't One Really Good Printer in Five Hundred."**

Printers' ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, in matter where it comes from."

Printers' ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man's suit. It's first-class, well-dressed, and to the point; the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get into our press. No press in the country can better our printing and we want you to know it.

O. O. F., one barber, two broom manufactories, a daily mail via Maysville and a telephone line to Maysville and Vanceburg. More goods are sold here than in any town of near like size in the county. ## HOSPITALS CROWDED

### MAJORITY OF PATIENTS WOMEN

It is a sad but true fact that every year brings an increase in the number of operations performed upon women in our hospitals. More than three-fourths of the patients lying on those snow white beds are women and girls who are awaiting or recovering from operations made necessary by neglect.

Every one of these patients had plenty of warning in that bearing down feeling, pain at the left or right of the womb, nervous exhaustion, pain in the small of the back, leucorrhoea, dizziness, datulency, displacements of the womb or irregularities. All of these symptoms are indications of an unhealthy condition of the ovaries or womb, and if not heeded the trouble will make headway until the penalty has to be paid by a dangerous operation, and a lifetime of impaired usefulness at best, while in many cases the results are fatal.

The following letter should bring hope to suffering women. Miss Luella Adams, of the Colonnade Hotel, Seattle, Wash., writes:

Dear Mrs. Pinkham:—

"About two years ago I was a great sufferer from a severe female trouble, pains and headaches. The doctor prescribed for me and finally told me that I had a tumor on the womb and must undergo an operation if I wanted to get well. I felt that this was my death warrant, but I spent hundreds of dollars for medical help, but the tumor kept growing. Fortunately I corresponded with an aunt in the New England States, and she advised me to take Lydia E. Pinkham's Vegetable Compound, as it was said to cure tumors. I did so and immediately began to improve in health, and I was entirely cured, the tumor disappearing entirely, without an operation. I wish every suffering woman would try this great preparation."

Just as surely as Miss Adams was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure every woman in the land who suffers from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability and nervous prostration.

Mrs. Pinkham invites all young women who are ill to write her for free advice. Address, Lynn, Mass.

## PROF. JENKINS'S SERMONS

### Large Audiences Attending Afternoon and Night Meetings

President Jenkins addressed a crowded house last night. His text was Second Corinthians, vi, 2: "Now is the acceptable time, behold, now is the day of salvation." He dwelt only upon the first and the last word of his text, saying in part: "Salvation is much misunderstood. Some think of it as a thing to take place in the near future. Jesus' conception is that salvation begins now. Youth looks out into the future; age lingers in the past; but Jesus emphasized the present, the 'now.' God cares little about what you were yesterday or what you may intend to be tomorrow; but He estimates you by what you are today. How do you stand at this moment with reference to Him and His cause? 'Tis a characteristic failing of humanity to take little notice of the ever-present and important now. Jesus said to Zacchaeus, who was ready to restore fourfold, 'This day has salvation come to thy house!' O, that men would receive this salvation that cannot be purchased! Jesus had a much wider conception of salvation than people have today. We have failed to catch His fuller meaning. He looks upon life as beginning here and continuing henceforth throughout the endless reaches of eternity. He does not like to use the term death; for life, saved life, was His great theme."

The afternoon service was of special interest to the large audience of women, his text being John 4:27 "And they marveled that He was speaking with a woman."

He designated her as the first emissary of her Lord, the first missionary to carry the glad tidings to those who were still in ignorance. "I do not wonder," he said, "that two-thirds of the congregations are composed of women, the prayer meetings made up almost entirely of women, and the missionary work of the Church carried on largely by consecrated women. This voluntary service is a simple recognition of the debt of gratitude which she owes to her Deliverer, who first broke the shackles which bound her in slavish obedience to long established laws and customs." In conclusion, Prof. Jenkins, with a great deal of earnestness, impressed upon the women the importance of dedicating their talents, a good voice, personal charms, executive ability, in fact themselves, to the service of the Lord.

Maysville Has to Bow to the Inevitable—Scores of Citizens Prove It.

After the reader has read the public statement of this representative citizen of Maysville given below, he must fairly, squarely and honestly come to this conclusion. A remedy which cured years ago, which has kept the party in good health since, can be relied upon to perform the same work under similar circumstances. Read this:

M. E. Chisholm, Constable in District No. 2, living at 343 East Second street, Maysville, Ky., says:

"Doan's Kidney Pills positively cured me of kidney trouble, and I do not hesitate to give them the strongest kind of recommendation. I had been troubled with too frequent action of the kidney secretions and it disturbed my rest nights. Having my attention called to Doan's Kidney Pills I procured them at J. Jas. Wood & Son's drugstore and I noticed an improvement in my condition from the start. My trouble was soon entirely cured. This was some five years ago, and I have had no return of it since. Anyone suffering from difficulties arising from disordered kidneys can make no mistake by using Doan's Kidney Pills."
